

Welcome to Leeds University Business School

About us

Leeds University Business School is a faculty of the [University of Leeds](#), one of the leading higher education institutions in the UK.

We are ranked in the [top 100 universities in the world](#) (QS rankings 2025) and are a member of the prestigious [Russell Group](#) of research-intensive UK universities.

We deliver undergraduate, Masters, MBA, PhD, executive and professional education and online study, for about 5,000 students from around 100 countries. High ranked programmes

400 academic and professional services staff

We are one of a small number of business schools (top 1%) worldwide to be triple-accredited by AACSB, AMBA and EQUIS.

Mission and Values

We deliver our purpose by being:

Research-led: providing thought-leadership to our community and employing rigorous scholarship to inform our globally-relevant curriculum

Solution-focused: bringing together multiple perspectives to apply innovative thinking to address local and global challenges

Community-centric: working collectively, fostering belonging and valuing difference,
